JUWO FACTSHEET: PROPER DISPOSAL

PROPER DISPOSAL – THIS IS HOW IT WORKS

CLEARING OUT REGULARLY CREATES SPACE AND IS GOOD FOR YOUR WALLET. BUT DISPOSING OF WASTE PROPERLY CAN BE A CHALLENGE. THE ERZ (ENTSORGUNG + RECYCLING ZÜRICH) SUPPORTS THE PUBLIC WITH A WIDE RANGE OF SERVICES. LISTED BELOW ARE NUMEROUS OPTIONS FOR PROPER DISPOSAL AND RECYCLING IN THE CITY OF ZURICH.

THE ERZ PICKS UP THE FOLLOWING GOODS AT YOUR FRONT DOOR

HOUSEHOLD WASTE

Household waste that can be incinerated is collected in the chargeable "Züri-Sack" and disposed of in the "Züri-Sack container" at the relevant property.

PAPER

Every two weeks there is a paper collection, which collects bundles of paper directly from the roadside.

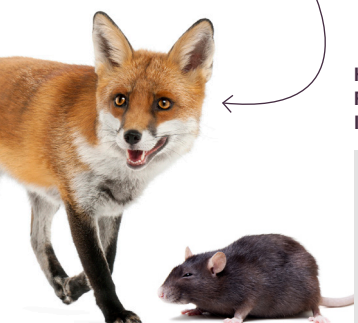

CARDBOARD

Every two weeks there is a cardboard collection. Folded, bundled and tied at the roadside and the cardboard is collected.

ALTERNATING: PAPER / CARDBOARD

THE CHARGEABLE "ZÜRI-SACK" IS AVAILABLE FROM RETAILERS, USUALLY AT THE CASH DESK.

ATTENTION DO NOT PLACE WASTE BAGS ON THE STREET UNTIL THE MORNING OF COLLECTION, OTHERWISE WILD ANIMALS WILL BE ATTRACTED.

HERE YOU CAN FIND MORE INFORMATION

BULKY ITEMS, METAL, ELECTRICAL GOODS, CROCKERY, CERAMIC TILES AND POTS, STONES, FLAGSTONES, PLATE GLASS

ERZ collects these materials directly from your roadside on request.

ATTENTION This is a chargeable service

ORGANIC WASTE

If the property has an organic waste container (green), food waste, kitchen waste and garden waste are disposed of in it.

ATTENTION No plastic in the organic waste container!

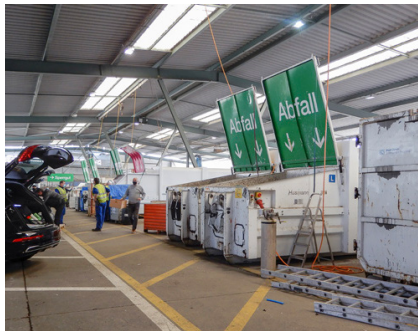

CORRECT DISPOSAL AT THESE LOCATIONS

CARGO-TRAM / E-TRAM

The city of Zurich offers the Cargo-Tram (for bulky items) and the E-Tram (for electrical goods). These are stationed at various tram stops 10 - 12 times a year. The timetable for these special trams provides information on the respective dates.

RECYCLING CENTERS

Every year, you resp. your flat-share will receive waste disposal coupons from the city of Zurich. These coupons can be used to dispose of bulky goods, metal, crockery, ceramic tiles & pots, stones, flagstones and plate glass professionally and free of charge (4 × 100 kg coupon) at the relevant recycling center.

Locations in the city of Zurich are:
Recyclinghof Hagenholz, Kreis 11
Recyclinghof Werdhölzli, Kreis 9

TEXTILE CONTAINER

A textile container was added at all recycling collection points where space was available. Textiles can be thrown into these containers so that they can be reused and recycled.

RECYCLING COLLECTION POINT

Hollow glass (white, brown, green), small metal (cans, aluminum) and sometimes liquid oil can be disposed of at recycling collection points. These are located outside larger grocery stores or spread around the neighborhood.

There are over 160 collection points in the city of Zurich.

POINTS OF SALE

The following items can be returned to the points of sale:

- Electrical appliances
- PET bottles
- plastic bottles
- batteries
- Hazardous waste

ATTENTION Every point of sale that sells electrical appliances must take back broken or discarded electrical appliances.

WASTE DISPOSAL CALENDAR

This calendar shows which collection takes place when in your neighborhood. With the "Entsorgung + Recycling Zürich" app, this information is also available digitally and with a reminder function.
